

# Lucy and Nicolas

We live in a small, old house in Brixton. It has got 2 bedrooms, a living room, a dining room, a kitchen and a bathroom.

In the living room there are 2 armchairs and a sofa. We have a television, a CD player and a video recorder. There is a picture on the wall. It's a very comfortable room and in the evening we sit and watch television or listen to music.

In the dining room there is a table and four chairs. There are a lot of photographs of our family on the wall. We have lunch and dinner in the dining room, but we eat breakfast in the kitchen.

We have a small garden and two cats. We are very happy in our house!
