I work Monday to Friday from 9-4pm. I teach English at the college, in the mornings. I go to college by train. I speak three languages. I like teaching because it's very interesting and fun. My students are very nice and always ready to learn. I live in Stockwell. It is an expensive area. We pay around £700 for our flat. I live with my two sons and my husband. I like living in Stockwell but I prefer living in Brixton because it is closer to my college. At the weekend, I usually relax and watch TV. I also clean my home and go shopping twice a week.
