## Listening script 1 – Fill in the gaps with the missing information

I like \_\_\_\_\_ the international matches best of all – they' \_\_\_\_\_ really exciting! Last week I watched England play Germany with a group of friends. We often \_\_\_\_\_ TV at college, which is good. Most weeks I don't have time, so I just see the football results on the news in the evenings. I don't like \_\_\_\_\_ swimming – I think it's quite boring.

## Listening script 2

I \_\_\_\_\_ find \_\_\_\_\_ out about different places to go to. I don't have enough money to go on holiday, but I like to \_\_\_\_\_ where I could go. I' \_\_\_\_\_ like to go to America! I \_\_\_\_\_ the holidays in warm countries where you can do something with a group of people – there's a holiday where you can learn how to play tennis in the mornings. I really want to do this.

\_\_\_\_\_ (Candidate A), what sort of programme is the first person talking about? Sport, the news or travel?

Thank you.

\_\_\_\_\_ (Candidate B), what sort of programme is the second person talking about? Sport, the news, or travel?

Thank you. *[Take back candidate booklets.]*

Now listen again, and answer these questions.

\_\_\_\_\_ (Candidate B), where does the first person watch TV with his friends, and what sport doesn't he like watching?

\_\_\_\_\_ (Candidate A), where does she want to go, and what sport does she want to learn on holiday?

*[Play CD again: scripts as above. At the end of the recording ask each candidate in turn their two questions again.]*

Thank you.

**Listen to the information.** *[Play CD.]*

I like my \_\_\_\_\_, because I really like \_\_\_\_\_. They want to learn about everything, and always ask lots of questions. Sometimes we go on school trips – we went to a farm last week and saw lots of \_\_\_\_\_. It's a hard job though – I have to do lots of work at home. I don't like \_\_\_\_\_ in the evenings! My husband \_\_\_\_\_ in the evening at the hospital, so we don't see each other during the week very much.

**Listening script 2**

I've done this job for fourteen years now. I love \_\_\_\_\_ with animals! I have to \_\_\_\_\_ at 4.30 in the morning to feed them. It's a problem – I don't like \_\_\_\_\_ up very early. There's lots to do, and we often have children from the local school coming for a \_\_\_\_\_ in the summer. When I was young I wanted to become a nurse, but now I'm glad I do this.
